

**FALL  
2025**

Is professional wrestling cringe?  
Is Taco Bell authentic? Is  
*Cats* objectively bad?  
What's the deal with cottagecore?

These are aesthetic questions.  
Aesthetic concepts shape our lives.  
They color our experience of art,  
food, our own bodies and the world  
around us, and maybe even our  
political situation.

Don't be cringe, join us as this class  
explores questions of  
aesthetics, art, meaning, taste,  
identity, community, and personal  
beauty!
