The "Save" button in the bottom row is circled in red.

You can click Save As once you have added your projects (so that you don't have to recreate the report in the future)

The screenshot shows a configuration panel for a report. On the left is a sidebar with options: Headings, Content, Filters (selected), Format, Number format, and Footers. The main area is titled 'Include' and contains three checkboxes: 'Inactive Projects' (unchecked), 'Projects with zero balances and no activity' (unchecked), and 'Projects with beginning balances and no activity' (checked). Below this is a table of filters:

Filter	Values
Not Yet Posted Transactions	All
Projects	0539

Below the table is a link: '+ Add another filter'. At the bottom of the panel are five buttons: 'Save and run', 'Run', 'Save', 'Save as' (circled in red), and 'Cancel'.

You may name the saved report whatever you want, but people will be able to see it in the listing (so let's be professional 😊)

The 'Save as' dialog box has the following fields and options:

- Name:** Project Statement for Paul
- Description:** (Empty text area)
- Others can run this report
- Others can edit this report

At the bottom are 'Save' and 'Cancel' buttons.

Click Run to run your report

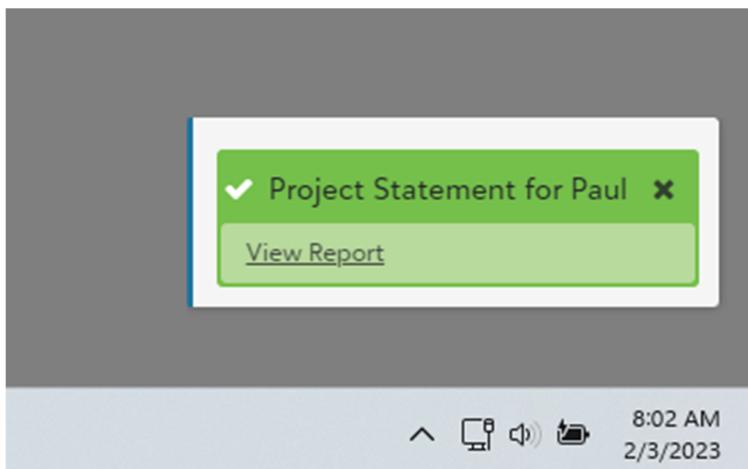

The screenshot shows a web interface titled "Edit - Project Statement for Paul - Filters". On the left is a sidebar menu with options: Headings, Content, Filters, Format, Number format, and Footers. The "Headings" option is selected. The main area contains the following fields and options:

- Title: Project Financial Statements
- Subtitle: (empty)
- Align: Three alignment icons (left, center, right), with the center icon selected.
- Print: Two checked checkboxes: "Organization name in header" and "Heading on each page".

At the bottom, there is a row of buttons: "Save and run" (highlighted in blue), "Run" (circled in red with a red arrow pointing to it), "Save", "Save as", and "Cancel".

PLEASE NOTE Depending on the number of projects requested and the number of users in the system it may take some time to run this report. You can push Run and work on other things while the system processes. We cannot make the program process any faster.

Click view report once the statement has processed...

The report will have 3 columns summarizing project activity for the prior month, the fiscal year to date, and since project inception.
